**Workshops on using
Webquest for
classroom activities**

MY ETI SCHOOL

Creating Online Exercises

Mario presented a number of tools to help with the learning process: Matching, Gapfilling, Multiple choice

Creating Online Exercises

At the end of the day, we presented our work

Course participants

The training was attended by teachers from Poland, Bulgaria and Ukraine

Trip to the training is not only learning,
it also tastes and new places

Valetta

the capital of Malta is located on the Sciberras peninsula between the two bays of Grand Harbor and Marsamxett Harbor. It is the southernmost European capital.

Mdina

It is the first capital of Malta. Today the city is excluded from traffic, except for vans, emergency vehicles, funeral cars, honeymoons and private cars, a few hundred of the city's population. There is a quiet, pleasant atmosphere, and the city's buildings are an unusual mix of Normandy and Baroque architecture.

Marsaxlokk

Luzzu - traditional Maltese boat

A fishing village located in the south-eastern part of Malta, it inhabits 3 241 inhabitants. The seat of the municipality of the same name. British Fort fortifications of Fort Delimara.

Beaches in Malta

Golden Bay

Paradise Bay

Saint Paul's pool

History of Malta

Malta has a beautiful and very interesting past. Although it is a small state, its history is more interesting than many larger states.

The Maltese are a proud and brave nation, and their history is immortalized in a beautiful museum located in the capital of this beautiful island.
